ANNUAL REPORT

A NOTE FROM THE EXECUTIVE DIRECTOR

My Dear Friends,

I cannot tell you what a blessing it is to be serving the Lord in this position! Over the last year I have had the privilege of watching the Lord grow this ministry in so many different ways, from expanding the Abstinence Program to preparing for ultrasound testing!

God is doing a great work through the staff, volunteers and friends of First Choice and I want to personally thank each of you who have partnered with us to make this possible. Nothing gives me more joy than to see the look of love on a young woman's face when her baby, once considered a "mistake" or a "problem" has become the light of her life.

The gift of hope we share with these women is nothing short of a miracle. That hope comes from the truth found in Jeremiah 29:11, "For I know the plans I have

for you", declares the Lord, "plans to help you, and not to harm you; plans to give you a hope and a future."

Never has our world needed hope more than it does today. We have the opportunity to be the hands and feet of Jesus, helping those around us in very practical ways. We have the opportunity to share a life-affirming, hope-giving message with a group of people who may never set foot inside the doors of any church.

Thank you for supporting us as we reach out with hope and love in the name of Jesus Christ!

In His Service,

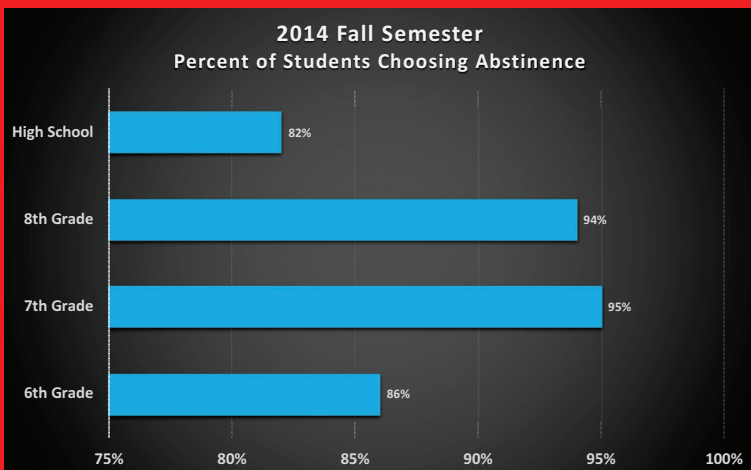

Lisa Miller, Executive Director
