ABSTINENCE EDUCATION

During the 2015-2016 school year our Sexual Risk Avoidance Department presented a week long interactive program that teaches good decision making skills with a focus on the benefits of choosing abstinence until marriage. *The Creating Positive Relationships* program was taught to a record number of students in 17 different schools! First Choice is also excited to announce that we are working toward offering this important program to Anderson and Madison County schools as we move forward with our “adoption” of Hope PHC and seek to open First Choice for Women of Anderson & Madison County.

After completing the Creating Positive Relationships Program, an average of 92% of students opted to choose abstinence over sexual activity.

After completing the Creating Positive Relationships program knowledge levels increased by an average of 7%.

First Choice for Women is grateful to the Community Foundation of Muncie and Delaware County for providing a grant that helped finance this curriculum allowing us to offer the program completely free of charge.

FROM THE CEO

Dear Friends,

I can't tell you what a blessing it is to be serving the Lord in this position! Over the last three years I have had the privilege of watching God grow our efforts by leaps and bounds! He is doing great work in our community through the staff and friends of First Choice for Women. I want to personally thank each of you who have partnered with us to make this possible.

Financial support is key to our success and we are so grateful for the gifts received throughout the year. Part of doing God's work is managing our finances and accounting, being good stewards of the blessings we receive. This year we were overwhelmed by the generosity of our donors and we're happy to say that we have put those funds to good use!

As you can see, we have met our expenses and were able to provide for the needs of our clients, and including material goods such as baby food, formula, cribs, clothing and other baby items, free ultrasounds, free pregnancy tests and the spiritual and emotional support they need to choose life for their child. None of this would be possible without you!

Thank you for supporting us as we reach out with hope and love in the name of Jesus Christ!

In His Service,
Lisa Miller, CEO
