A huge **THANK YOU** to **Glad Tidings Church** for making First Choice the beneficiary of its annual *Jingle All the Way* musical celebration again last year! Glad Tidings raised **\$9,367** for the mission and ministry of First Choice for Women. Thank you for making a difference for LIFE!

Thank you!

by Pastor Kevin Holt, Board Member

Over the past year I have had the great privilege of serving as the board chair for First Choice for Women. It has been a wonderful year and we have seen God's favor on this life-driven ministry in remarkable ways. God has repeatedly provided resources to grow the influence of First Choice for Women, expanded and brought new partnerships to us, given Lisa, our CEO, wisdom in adding to and developing the committed staff, and most importantly, 28 babies are alive today because of the ministry made possible by your generosity.

In 2019, I will continue to serve on the board but my responsibilities

in my personal ministry context are more in the next months than would allow me to continue serving as chair. It has been a great privilege to serve in this capacity and I look forward to seeing what God will do over the next several months. Cindy Costerison served with me as the vice-chair last year and will be leading the board in 2019. Cindy is a superb leader with a great passion for babies, mothers, and families, a strong advocate for life, and a person of deep and mature faith. I am excited about what she will bring to this leadership role and the great strides she will lead us to take.

There has never been a more important time for God's people to stand against a culture that is so upside down. Isaiah said that there would be a day when many would

"call evil good and good evil...put darkness for light and light for darkness...and put bitter for sweet and sweet for bitter" (Isaiah 5:20). That describes our America today well. Nothing will change unless we stand up and make a difference. First Choice for Women is one of the best soils in which to plant a seed of generosity because we are committed to challenging the darkness and evil with the light of love and the presence of Jesus. I am excited about the year that is before us and the difference we have an opportunity to make.

Thank you again for the awesome privilege of serving in this capacity. I look forward to a marvelous year and to working with Lisa and Cindy. May God richly bless and prosper you in this New Year!

Together for life!

Message from the Chair

by Cindy Costerison, Chairman of the Board

As incoming board chair I have the great honor of continuing the legacy of the many wonderful leaders whom have given of themselves to insure that this ministry thrives - leaders like our 2018 Chairman, Pastor Kevin Holt, who led us to this pivotal point in our story.

Our theme for 2019 is *"Together for Life"*. This is not only reflected in the services that are available to our clients, but a "mini-vision" of how we see things for the coming year. It reminds me of the scripture in Ecclesiastes that says,

"Two are better than one, because they have a good return for their labor: If either of them falls down, one can help the other up. But pity anyone who falls and has no one to help them up. Though one may be overpowered, two can defend themselves."

"A cord of three strands is not quickly broken." (Ecclesiastics. 4:9, 10, 12)

These verses accurately describe the activities that take place in both centers every single day. We have a team atmosphere (two are better than one!) to support men and women who truly need a "team" to come alongside them!

The many facets of each Center,

from Ultrasound, to ParentCare, to Diapers, to educating young people about their sexuality from a Biblical worldview, exists to support the best *first choice*, which is life for the unborn. While this *first choice* is our desired outcome, we also continue to love and nurture those who go a different path.

We have some big goals for the coming year and invite you to join us at this exciting time! We are so very blessed by your prayers, your gifts, and our volunteers. We humbly ask for your support in every area.

Together for Life!

VOLUNTEER SPOTLIGHT

STEPHANIE TATE

Stephanie Tate volunteers as a ParentCare Mentor and Pregnancy Test Advocate at First Choice for Women of Anderson & Madison County. As a teenage mother herself, Stephanie has a heart for young mothers, and serves an average of 8 hours a week. "I know the struggles and judgement these girls face every day," said Stephanie. "I want them to know that their situation doesn't have to define them. They can care for their child AND achieve their goals. I especially love praying with them and helping them find hope in Jesus."

Stephanie and her husband Daniel have three daughters and attend Harmony Christian Church in Elwood. In her free time, Stephanie enjoys reading and listening to music. Thank you Stephanie for your dedication to First Choice for women, you truly make a difference in the lives of the young women we see each week!

Client Connection

by Leslie Hatcher, Center Director

On January 20, 2019 our country observed *Sanctity of Human Life Sunday*. This year we remembered more than **60 million babies** lost to abortion since the passage of Roe vs. Wade in 1973.

Because of the ministry of First Choice for Women, 28 babies have been saved from that same fate - in the last year alone! Their mothers also have been spared the lifelong regret so often experienced by post-abortive women. Our CEO Lisa Miller notes, "Just imagine, in five years these 28 lives will make up an entire classroom of kindergarteners!"

We recognize that it is the Holy Spirit speaking through our staff and volunteers as we share the truth about LIFE with our clients. As Jesus counseled his disciples in Matthew 10:20, "For it is not you who speak, but the Spirit of your Father who speaks in you", we too stand on that promise; not only for *pregnancy life* decisions, but for *eternal life* decisions as well.

Making a Difference for Life

Ashley¹ has been attending our ParentCare classes for nearly 4 years, developing trusting relationships with many of our volunteer mentors. After completing most of the parenting lessons in our program, Ashley's mentor, Debby, suggested that she begin the Bible Study lessons in our curriculum, and Ashley agreed. Having little knowledge of the Bible, Ashley studied both the Old and the New Testament. Her mentor noted the many

prophecies and verses pointing to Jesus as Messiah. After Christmas, they began studying the birth of Christ and His purpose for coming to the earth. Debby then briefly reviewed all they had learned from Genesis to the book of John. She asked Ashley if she believed that Jesus was the promised One and if she was ready to accept Him as her Savior. Ashley said "yes" and gave her heart to Jesus that very evening!

We rejoice with Debby and all those who have faithfully planted seeds in Ashley's life during her years with First Choice. The gospel is weaved into everything we do at First Choice for Women, from the moment a client walks in the door and throughout her time with us. We are honored to witness His redemptive work in Ashley's life. Praise the Lord!

Dan Litz Eagle Scout Project Keeps Clients Safe

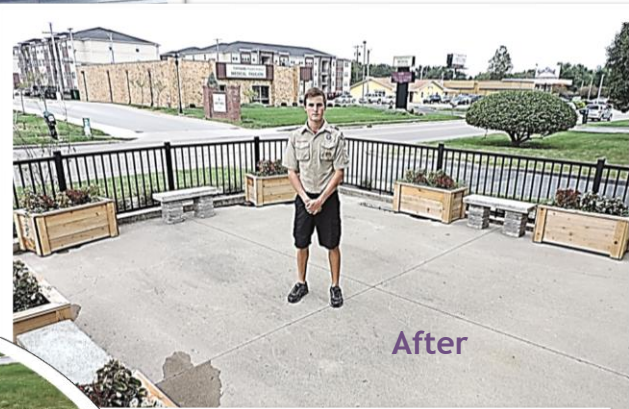

First Choice for Women was blessed to be the recipient of an Eagle Scout project by Dan Litz and Boy Scout Troop 77.

Dan helped raise the funds needed to enclose the First Choice patio in Muncie. He built planter boxes and made concrete benches, to not only beautify our property, but also to provide a safe place for clients to wait for transportation with their active toddlers – keeping them away from the busy street!

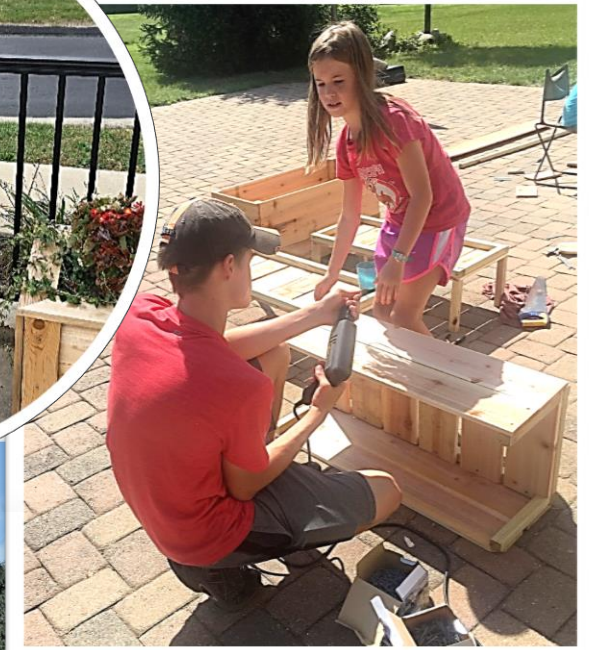

We are very thankful for Dan Litz, the Litz family and Boy Scout Troop 77!

SRA Update

by Sharyll Martin, SRA Director

Let's Think About It

"This made me think of the choices I've made and how bad they are, and I regret it, I really do."

~ Selma Middle School Student

"This really helped me understand all the effects of being sexually active at a young age. I honestly thought I would be sexually active, but this course has helped me realize it's not worth the risk."

~Delta High School Student

The first comment above speaks to the unfortunate consequence of wishing you *had known better* before doing something you can't take back. The second statement is reflective of our goal for every student receiving **abstinence-only** education in our schools. Both comments demonstrate that the curriculum is encouraging young people to **think about it**.

2018 Fall Semester

We provided abstinence-only education to 1,936 students last fall. We ask students to answer several questions at the end of the course, including "will you choose abstinence, secondary abstinence or sexual activity" going forward. On average, 88% chose to be abstinence.

There are two basic types of sex education, one commonly called comprehensive sex education and the other, abstinence-until-

marriage education. Outlined below are the major points of each type.

Comprehensive Sex Education

- Sexual behavior is a human right.
- Reducing risk is the goal.
- Sex education begins in kindergarten.
- Sex education includes contraception instruction.
- Abortion is a choice and an alternative to pregnancy.
- Gay, lesbian, bisexual, transsexual and questioning life-styles are embraced.
- All forms of sexual activity are accepted.
- Pornography is an activity that some people enjoy.
- Individuals should feel free to discover who they are as sexual human beings by experimentation.
- Belief systems excluding tolerance are not acceptable.
- Parents are not necessary in the sex education process.

Abstinence-Until-Marriage Education

- Sexual abstinence until marriage eliminates health risks.
- Children can achieve their goals and dreams without the distraction of consequences from sexual activity.
- Learning to develop friendships without physical

intimacy is essential to healthy marriages.

- Multiple sexual partners can be dangerous to one's physical, emotional, mental and social health.
- Pornography is dangerous to the individual and society.
- Religious beliefs and heritage surrounding sexuality should be embraced.
- Parents are the primary sex educators of their children and are an essential part of abstinence-until-marriage education.

Respect is foundational for healthy relationships. Healthy relationships are a reflection of healthy people. *The Creating Positive Relationships (CPR)* curriculum used by First Choice, is an abstinence-until-marriage program that teaches the importance of respecting ones self and others. CPR promotes the fact that people can create and maintain positive relationships without sexual intimacy until they are married. First Choice discusses every bullet point in the abstinence-until-marriage section during our week long presentations.

Please pray for our instructors and the youth we will be talking to this semester. We appreciate you!

Annual Report

SAVING AND CHANGING LIVES IN EAST CENTRAL INDIANA

2018 IN REVIEW

Dear Friends,

I can't tell you what a blessing it is to be serving the Lord here in this position!

Over the last 5 years I have had the pleasure of watching the Lord transform our efforts into a thriving ministry spanning two counties!

Each year I have the privilege of praying and asking the Lord for His direction and vision for the coming year. This year, through a variety of circumstances, He placed the phrase *"Together for Life"* in front of me. What does that mean, and how will that impact our vision for 2019? Ephesians 4:16, says, *"From whom the whole body, being fitted and held together by what every joint supplies, according to the proper working of*

each individual part, causes the growth of the body for the building up of itself in love". Thinking about this passage, I believe He is calling us to work together in these tumultuous times for the unborn.

At First Choice, this will include adding to staff, increasing the number of volunteers at each center, expanding hours and growing the abstinence education program in Anderson, seeing more abortion minded clients, and adding programs that will broaden our range of services and help us to be more proactive in our communities.

In order to accomplish these objectives, we need individuals in the body of Christ to join us in our efforts by using his/her talents to strengthen the First Choice for Women ministry.

If you are already partnering with First Choice for Women, I want to personally thank you and hope that you are encouraged as you read this newsletter and see a snapshot of the amazing things God had done in the past year.

If you are new to First Choice and are looking for a place to be involved where God is already at work in an incredible ways, we ask that you consider partnering with us today – prayerfully, financially, and/or by getting involved as a volunteer. Together we will see lives saved, young people instructed on the importance of abstinence before marriage, and women's, men's, and family's lives truly transformed for the glory of God!

Together for LIFE!

Community Connections

Many thanks to the Ladies Fellowship of **True Light Baptist Church** in Muncie for hosting a baby shower to benefit First Choice for Women. It was a great night of food fun and fellowship!

Thank You!

Alpha Kappa Alpha

Our Church Spotlight this quarter is Grace Baptist Church in Muncie. Located on the corner of South Nebo and River Road, Grace Baptist was founded in 1963. Rory Bond became Senior Pastor in 2012 after the retirement of Dr. Glenn Collins, who served in that position for over 45 years. Pastor Bond and his wife

Amy were called to Grace Baptist in 1997 and had served in both youth and adult ministries prior to accepting the position of Senior Pastor.

With a congregation of nearly 400 people, Grace Baptist Church offers Bible Fellowship classes for all ages on Sunday mornings at 9:30am, Worship Service at 10:30am and Sunday evening services at 6:00pm. They also hold mid-week services at 7:00pm on Wednesday evenings that offers a selection of Bible study topics for adults, in addition to children and youth education programs. "We are a church that is large enough to have a variety of programs, yet small enough to build relationships", notes Pastor Bond. "We are a traditional church with traditional music that preaches and teaches the Word of God."

The mission of Grace Baptist is to "make disciples and to equip them for service for the pleasure and glory of God." This mission results in a multifaceted approach to ministry. One of their major outreach efforts is **Heritage Hall Christian School**, an accredited school offering a "Christian education in a Christ-centered setting" for over 50 years. With approximately 230 students from pre-school through 12th grade, Heritage Hall is a participant in the Indiana School Choice Program and a member of the Indiana Academy of Christian Schools for academic and athletic activities.

Another program with significant impact on the community is **Reformers Unanimous**, a biblically based addiction discipleship program. For 10 years Grace Baptist Church has hosted this weekly meeting offering hope and help to those struggling with addiction. "For a long time churches didn't know how to help addicts and addicts didn't find much help at church either", said Pastor Bond. "This program blends God's Word with the hope they need for change. We also have a presence at the Delaware County Jail ministering to men and women dealing with addiction issues. Upon release, they begin attending the weekly meetings at Grace."

Grace Baptist is also the home of the **Center for Biblical Counseling**, an all-inclusive counseling center

which offers free counseling services to anyone in the community.

Grace has a heart for people and for sharing the gospel both locally and globally. They support over 40 mission organizations and families. First Choice for Women is honored to be one of those ministries.

"First Choice for Women has been on the front lines in the battle for life", Pastor Bond stated. "We as the church **have** to get in the fight to save baby's lives and save these women from suffering lifelong regret from an abortion decision. Since *Roe vs. Wade* over 60 million babies have been aborted. We believe that life begins at conception. We also believe that many have made abortion choices without the full understanding of the consequences. First Choice is sharing this truth with women, saving and changing lives every day."

Thank you Pastor Bond and the congregation of Grace Baptist Church for your support for the ministry of First Choice for Women.

QCD Could Be the Right Choice for You!

Are you over age 70 ½, have a Traditional IRA, and are interested in potentially reducing your income taxes while contributing to a worthy cause? **Discuss a Qualified Charitable Distribution (QCD) with your CPA, tax preparer or wealth management representative today!**

Upon reaching age 70 ½, account holders of Traditional Retirement Accounts must take an annual Required Minimum Distribution (RMD) from the account. The IRS permits the account holder to send the RMD (or more, up to \$100,000) directly from a Traditional IRA (only) to a 501(c)(3), like First Choice for Women, as a charitable contribution, excluding the contribution from your taxable income.

With the 2018 tax law changes that increase the Standard Deduction, many people will no longer itemize and therefore do not get a tax benefit from making charitable contributions. Utilizing the QCD allows people to continue to contribute and eliminate those gifts from taxable income.

Please discuss this strategy with your CPA, tax preparer or wealth management representative and reduce your income taxes while helping to save and change lives through your support of the First Choice for Women ministry.
